

CERTIFICATE OF TRAINING MOBILITY

This is to certify that Oleksandr Mykhalko from Sumy National Agrarian University

has successfully completed a training mobility programme of internship

«Erasmus+ Staff Mobility For Training»

at the Swedish University of Agricultural Sciences

from 17.03.2026 to 16.04.2026.

We confirm that the participant fulfilled the objectives and activities foreseen in the mobility programme designed for 160 hours and includes the following topics:

1. Advanced training in chromatographic analysis and its application in veterinary, biomedical and food quality research.
2. Practical and theoretical experience in chromatographic techniques and analytical workflows.
3. Training in sample preparation, data acquisition, quality control, and interpretation of analytical results.
4. Enhancement of professional competences in advanced analytical methodologies.
5. Exchange of scientific expertise and strengthening of international academic cooperation.
6. Contribution to research and educational activities in analytical, molecular, veterinary and food sciences.
